To prepare the cheese filling: we grate the cheese, and after sprinkling it, we put the cheese in a colander and add warm water to it, and then drain them from the water well, then add ghee, sesame, nigella, egg, white pepper and parsley, then mix the filling ingredients well. To prepare the muhammara filling: In a frying pan, put oil, chopped onions, then fry them, then add pepper molasses, salt, dried coriander, cumin, paprika, then roast them all, then add peeled and chopped tomatoes, nigella, sesame, and then stir them a little and close the pan and leave them on the fire until the level of any quarter of an hour.

How to form the dough: We cut the dough into small balls for cheese, and double balls for muhammara and thyme, and put the dough balls on a tray with a little flour on it, and then we cover them and leave them for five minutes. For cheese dough: After five minutes have passed on the dough balls, we roll out the cheese dough balls until they become thin, and then we stuff the dough in the cheese filling and close the dough in the form of the usual cheese disk, then put them in the oven tray on which there is butter paper, after completing my filling. We also grease it on its own dough, then we grill them in the oven and then the muhammara and thyme are ready.
